## "REVIVE"

August 30, 2019

Dear Friends in Ministry:

You are invited to **year eight** of Hands4Detroit / Hands-WITH-Detroit on **Saturday, October 5, 2019!** We've taken needed time for coalition building and relationship development so that Hands4Detroit 2019 will be a wonderful experience for all.

This year, we will partner with the Islamic Center of Detroit and Islamic Center Youth, the Warrendale Community Organization, WACO, Councilmember Gabe Leland, and Neighborhood Police of Detroit District 7. Here are some **important action items** in order to make this day successful:

1. **Make a goal of your team number. How many hands can you bring?**
2. **Register online beginning Tuesday, September 3, 2019.**
3. **Collect food and personal care items for Gleaner's Food Bank.** (Do you need a Gleaner's collection box? Contact [amangumsav@gmail.com](mailto:amangumsav@gmail.com))
4. **Donate monetarily to offset the costs for Hands4Detroit** (Make your check payable to the Greater Detroit District and list H4D in the memo area).
5. **Come as a group to limit the number of cars needing parking spaces.**

On the opposite side of this letter, you will find additional ways your group can support Hands4Detroit. We have created a database, which is available for you to sign-up for particular projects beginning Tuesday, September 3. Call me if you have problems with the database or questions.

May God bless you as you bless the Detroit community!

One in mission,
