Human Trafficking: *What YOU Don't Know and What You Should Know*

“United Methodist Women stands against the exploitation of those forced to submit to civil injustice as a result of their basic needs or position in society. As many as 30 million people internationally have fallen victim to human trafficking, and the epidemic has become the second largest criminal activity behind the sale of illegal arms. As advocates for social justice, United Methodist Women will continue to work for the rights of those exploited by this cruel trade and end this all-too-prevalent form of modern-day slavery.” <https://www.unitedmethodistwomen.org/human-trafficking>
