

# Hands With Detroit

## Saturday, October 1, 2022

**Many people struggle with homelessness in Detroit.**

They are living on the street or in shelters. This year Hands With Detroit will work with mission agencies who are dealing with homelessness every day.

## Save The Date

Possible Projects may include :

- Cleaning
- Painting
- Packing Food
- Building
- Hygiene Kits
- Food Kits
- And more...

Mark your calendars, put it on your church's mission and youth calendars.

There will be a way for everyone to participate, at the mission site or in your own churches.
