

## Wyandotte Missions

For many years, Wyandotte First UMC has been a "Spotlight" church, and in recent years has been an "Engage- MI" church. What this means is that we have always paid our apportionments or ministry shares in full. Then we have contributed to a list of mission projects in various categories, i.e. conference, national, international, UMCOR, missionary support, etc. But with the hard times we have had lately, it is getting harder and harder to achieve.

**“ IT IS OUR JOB AS  
DISCIPLES TO HELP  
ALLEVIATE SOME  
OF THE PAIN WE  
SEE ALL AROUND US. ”**

Lois McIntyre

Have you noticed the food price increase lately ,.. WOW! But thanks be to God, we are still continuing to feed the hungry folks in Detroit through the NOAH project, and to feed our hungry Wyandotte neighbors through the Waynewright Soup Kitchen - 2 blocks from our church. We also support our local Downriver Community Food Pantry. We are able to do this through our "Mission of the Month" program.

Our congregation understands the injustice of this world, and we know that all people have value in the eyes of Christ. It is our job as disciples to help alleviate some of the pain we see all around us.

Lois McIntyre
