ChristNet Services: Community Impact and Call to Action

Dear Friend,

For 33 years, ChristNet Services has been a vital partner in the downriver communities, dedicated to assisting individuals experiencing homelessness. Our comprehensive program includes providing laundry and shower facilities, food, shelter, identification assistance, training, and advocacy. On a typical day, we serve approximately 50 guests, and during the winter months we coordinate safe overnight shelter for up to 28 individuals through our partnership with local churches.

Challenges and Changes in Service Hours

Our supporters have helped us achieve important milestones such as constructing a new building and purchasing a van to serve our guests. However, due to national funding cuts, we have been forced to reduce our hours of operation. Previously, services were available from 9:00 AM to 5:00 PM daily. Now we operate from 12:00 PM to 5:00 PM, Monday through Friday, and are unable to offer weekend services at this time. **Our goal is to raise enough money to rehire our staff so that our center can be opened from 9:00 AM -5:00 PM seven days a week.**

Upcoming Event: "FULLFILL THE DREAM"

Generous supporters have always stepped up when needed the most and now is another **urgent moment.** On Friday, September 25th, ChristNet is proud to present **"FULFILL THE DREAM,"** a fun-filled adult evening featuring dinner, dancing, raffles, and silent auctions. We warmly invite you to attend the event, become a sponsor, donate auction items, or make a financial contribution. Every act of generosity makes a difference.

Thank you for your support of ChristNet Services and the individuals we serve.

Together we CAN make a difference by providing hope, dignity and opportunity.

Sincerely,

Linda *Todd*
